Describe the project

NOTE: To receive a conditional use, you must meet all the conditional use requirements in Section 815.04 of the Blendon Township Zoning Resolution. Your answers to the following questions will help the Board of Zoning Appeals determine whether you meet the requirements for a conditional use. If you don't answer the questions, we will consider your application incomplete.

1. Proposed Use or Development of the Land:

2. How will the proposed development relate to the existing and probable future land use character of the area:

3. Will the Conditional Use be designed, constructed, operated, and maintained so as to be harmonious and appropriate in appearance with the existing or intended character of the general vicinity and that such a use will not change the essential character of the same area?

- 4. Will the Conditional Use be hazardous or disturbing to existing or future neighboring uses?

- 5. Will the Conditional Use be detrimental to property in the immediate vicinity or to the community as a whole?

- 6. Will the Conditional Use be served adequately by essential public facility and services?

- 7. How will the proposal meet the development standards of that specific district?

- 8. Could the applicant's predicament be feasibly obtained through some method other than a conditional use?

- 9. Would the spirit and intent behind the zoning requirements be observed and would substantial justice be done by granting the conditional use?

- 10. Would the conditional use adversely affect the delivery of governmental services (e.g., water, sewer, garbage, fire, police).

- 11. Did the applicant purchase the property with knowledge of the zoning restrictions?

Conditional Use-Expanded Home Occupation (Only)

The following questions must be addressed when applying for a Conditional Use from *Section 511.03* (Conditional Use Home Occupation) of the Blendon Township Zoning Resolution. If these questions are not answered, the application will be considered incomplete.

- 1. Enclose all details regarding the day-to-day operations of the home occupation (type of business, hours of operation, designated parking areas, etc.).

2. How many non-resident employees?

3. Will the home occupation be conducted within a structure accessory to a dwelling unit and located on the same lot as the dwelling unit?

4. What type of commodities, if any, will be sold on the premises? If sales of commodities are not produced on site, please specify all commodities associated with the home occupation?

5. Will there be outside storage of any kind associated with the conditional use home occupation? If so, what is proposed to be stored on site and how will the storage be **completely** screened from adjacent residential lots and abutting streets? ***This must be met!***

6. Will there be any organized instruction of pupils that would exceed six (6) pupils at any given time?

7. Will there be any signage? *Signage shall be consistent with the provisions of Section 541.03(8).*

8. Will the delivery traffic increase? *Traffic shall be limited to not more than three (3) UPS or similar deliveries per week. No semi-tractor truck deliveries will be permitted at any time.*
